Dear Jim:

It was good to hear from you and I shall look forward to seeing you when you are in Washington April 22-23. Give me a call when you arrive. I have tentatively booked you for lunch on April 23. If by any chance you would like to bring the new Chairman of Sears, Reebuck and Company with you, I would be delighted to have him.

Clover is now basking in the Bahamas; otherwise, whe would join me in sending special regards to you both.

Please note my new address as I have moved since you were last here.

Sincerely.

(Signed) ALLEN W. DITLES
